Sri H. K. VEERANNA GOWDH.—It is not a question of breach-filling Sir ; it is a question of improving.

Sri G. SIVAPPA.—My question is about breach-filling ; I am not asking for improvement.

Sri H. K. VEERANNA GOWDH.—Government have not asked anything to contribute for breach-filling.

Sanction of a High School to Kengeri.

Q.—85. Sri A. V. NARASIMHA REDDY (Bangalore South). –

Will the Government be pleased to state : –

(*a*) whether it is a fact that they had assured to sanction a High School to Kengeri in Bangalore South Taluk if the people of that Hobli provided the building facilities ;

(*b*) whether it is not a fact that such an assurance has been made in writing by the people and that the Gurukula Ashram Buildings are placed at the disposal of the Government ?

A.—Sri Kadidal MANJAPPA (Minister for Education).—

(*a*) The request to open a High School at Kengeri, Bangalore District, was considered and was not accepted.

(*b*) Does not arise in view of reply to (*a*).

Sri A. V. NARASIMHA REDDY.—May I know the policy of Government in respect of implementation of assurances held out by the Ministers while visiting the rural areas ?

Mr. SPEAKER.—I would like to point out to the Hon'ble Member to make the question as clear as possible. His question is very general ; I want to know what he exactly means.

Sri A. V. NARASIMHA REDDY.—While the then Chief Minister was visiting this place, he held out an assurance that he would immediately sanction a High School provided the people came forward to provide a building. The people have come forward to provide a building.

Sri Kadidal MANJAPPA.—According to the information available, the then Chief Minister promised to consider the question sympathetically. It was examined and then it was found not feasible to start a High School at Kengeri.

Sri A. V. NARASIMHA REDDY.—Has it not come to the notice of the Government that the department has recommended favourably for sanctioning of this High School ?

Sri Kadidal MANJAPPA.—I am told that a recommendation has been made in this behalf by the Departmental Head.

Sri A. V. NARASIMHA REDDY.—Then, what is the impediment in starting it ?

Sri Kadidal MANJAPPA.—Government considered all aspects and found that it would not be possible for them to start a high school there.

Sri A. V. NARASIMHA REDDY.—Will the Government at least consider again the sanctioning of a high school there during the academic year ?

Sri Kadidal MANJAPPA.—I cannot give any kind of assurance but I may consider the question.

Sri P. C. UTAYYA.—May I know the general policy with regard to applications for opening high schools ?

Mr. SPEAKER.—That is not relevant to the main question.

Sri P. C. UTAYYA.—May I know, if applications are made for opening high schools they will be granted ?

Mr. SPEAKER.—That is also outside the scope of the question.
